What it means to be an IT Professional at UW-Madison

Sara Tate-Pederson, Laura Grady, Jason Erdmann, Gary De Clute, Sue Weier, Crague Cook

IT Professionals Conference 2018, UW-Madison
May 31, 2018
UW-IT Professionals

- A campuswide, grassroots organization under the UW-IT Connects umbrella
- For self-identified new and current IT employees
- Goals:
  - Support development of standard guidelines, training resources, and onboarding tools
  - Share tools and resources
  - Improve the IT culture and interdepartmental relationships at UW-Madison
Guidelines document

- Understanding your role as an IT Professional at UW-Madison -- Sara Tate-Pederson, Table #1
- Respecting the interests of your users -- Jason Erdmann, Table #2
- Promoting good practice within the University -- Sue Weier, Table #3
- Following and improving standards -- Sue Weier, Table #3
- Adhering to policy and regulations -- Crague Cook, Table #4
- Maintaining your professionalism -- Laura Grady, Table #5
Facilitated discussion

At each table discuss the following:

● How do you apply the guideline now?
● How would you like to apply this guideline in the future?

Each table reports out your top recommendation or discovery.
THANK YOU!
